# Our Commitment to your Community

We recognise the positive role not-for-profit organisations such as clubs, groups and charities play in your local communities. You provide people with a sense of belonging, places where individuals come together to share common interests and often help others.

Helping your not-for-profit organisation with fundraising is at the heart of who we are and that's why our Community Reward Account can help you raise vital funds without relying totally on cash donations and other fundraisers.

Your organisation and members, family and friends will benefit in opening a Community Reward Account.

The account is an everyday, at call savings account offering the following features and benefits to the account holder:

- A competitive interest rate.
- No monthly account keeping fees.
- Access to funds 24 hours a day, 7 days a week.

Additionally, your community group will be rewarded with an annual 'community bonus' payment.

In this document, the expressions 'the Credit Union', 'we', 'our' and 'us' refer to Community CPS Australia Ltd ABN 15 087 651 143; and the expressions 'you' and 'your' refer to any person who has obtained a product or service. United Community, Companion Credit Union and Wagga Mutual Credit Union - Divisions of Community CPS Australia Ltd ABN 15 087 651 143 AFSL/ACL 237856.

Full terms, conditions, fees and charges are available in our Product Guide and Fees and Charges booklets. These booklets are available on request, on our website and will be provided at the time of acquiring the product. Before acquiring the product you should consider if the product is appropriate for you.

# How it works

First of all you register your organisation with us. Once registered, you encourage your members and supporters to open a Community Reward Account with us. Then your organisation will become the recipient of our annual 'community bonus' payment.

Each year on the 30th June we'll calculate the average annual balance in all the Community Reward Accounts linked to your organisation. Based on this balance we'll donate the equivalent of up to 1.5% to your organisation.

## HOW TO INCREASE YOUR ORGANISATION'S 'COMMUNITY REWARD'?

Use your organisations newsletter, website, meetings and functions to promote the Community Reward Account. The more people who open an account the bigger your bonus payment will be!

We will even help you with getting the word out to your supporters.
